BLADE Glass Pro Puncture and Cut Resistant Sleeve

Code: BLC5GPS

Features

- Unit: Each
- Size: One Size
- Pack Qty: 6
- Carton Qty: 36
- Colour: Fluoro Orange
- EN388: 4545
- ANSI Cut: A5
- ANSI Puncture: 5
- ASTM F2878 Needle Puncture

Product Details

Summary

BLADE Glass Pro Puncture and cut-resistant sleeve covers the arm for optimal protection. This design protects without snags, punctures, abrasions or cuts. Our unique material offers the highest level of cut resistance. Smart styling and design includes a spandex wrist with thumbhole for great comfort at the palm and wrist. ASTM F2878 7.35 Newtons of puncture protection. BLADE Glass Pro offers the best puncture protection available on the market in a woven material. This pioneering breakthrough has been made possible by bringing together innovative, leading edge textile technology to combine spinning and weaving of Kevlar. The resultant needlestick puncture resistant woven fabric is both light and supple. ASTM ANSI Cut Level A5 >2200 grams to cut. Medium cut hazards: appliance manufacturing, bottle and light glass handling, canning, dry walling, electrical, carpet installation, HVAC, pulp and paper, automotive assembly, metal fabrication, metal handling, packaging, warehouse, aerospace industry, food preparation/processing. ASTM ANSI Puncture Resistance Level 5 Offers high protection against punctures.
