Features

- Unit: Pair
- Size: L
- Length: 40cm
- Pack Qty: 12
- Carton Qty: 72
- EN388: 4234

Product Details

Summary

Cowhide Grain leather glove. Elasticised, one piece back for snug fit. Soft grain leather provides excellent sensitivity and "feel" while the cuff is tough and strong. Used in a wide variety of industries where a leather glove providing good feel but with a longer cuff than a driver or rigger glove is required - for example these gloves are used by a number of beekeepers. Great for pruning roses or other plants with thorns or spikes.

Features & Benefits

- Cowhide Grain leather glove.
- Elasticised, one piece back for snug fit.
- Soft grain leather provides excellent sensitivity and "feel" while the cuff is tough and strong.
