Features

- Unit: Pair
- Size: M - XL
- Length: 40cm
- Pack Qty: 12
- Carton Qty: 72
- EN388: 2142

Product Details

Summary

Pig grain leather glove, front and back, with 100mm split leather cuff. Straight thumb with reinforcing and no seams on the palm/fingers. Not as soft as the Argon glove but becomes softer with use and grain leather still provides for great "feel" and sensitivity. Pigskin has a greater breathability and withstands moisture without stiffening.
