Features

- Unit: Pair
- Size: S-2XL
- Length: 30cm
- Pack Qty: 6
- Carton Qty: 72
- EN388: 2423
- EN407: X2XXXX

Product Details

Summary

A specialist glove for heat and cut environments. Kevlar lined for improved contact heat performance to over 250°C with cut 4 protection.

Goat grain leather front and back, with 100mm split leather Blue Cuff. Straight thumb with reinforcing and no seams on the palm/fingers. Grain leather provides for great "feel" and sensitivity and has a greater breath-ability whilst withstanding moisture without stiffening.

Ideal for a refinery, steel production, and aluminum manufacturing.

Features and Benefit

- Specialist glove for heat and cut environments.
- Kevlar lined for improved contact heat performance to over 250°C with cut 4 protection
- Goat grain leather front and back, with 100mm split leather Blue Cuff.
- Straight thumb with reinforcing, no seams on the palm/fingers
- Ideal for a refinery, steel production, and aluminum manufacturing
