Armour® Leather Aluminized Glove Saver

Code: WPGLOVE

Features

- Unit: Each
- Size: One Size
- Pack Qty: 1
- Carton Qty: 20
- EN388: 4544

Product Details

Summary

An over glove for welding gauntlets that provides extra palm and back of hand protection in heavy duty welding environments. The palm side of the glove saver is made from split leather and the back of hand from aluminised Kevlar. Aluminised Kevlar provides contact and radiant heat protection protecting the welding glove and user for heat exposure and extreme wear. The welding glove saver comes in right or left hand optional and are sold individually.
