Blade Cut C Full Apron 90cm x 60cm

Code: BLCCA

Features

- Unit: Each
- Pack Qty: 1
- Carton Qty: 50

Product Details

The BLADE Cut C Apron is designed for professionals working in high-risk cut environments, providing superior protection without compromising on comfort. Constructed from revolutionary 280gsm Cut C material, this apron offers exceptional resistance to cuts, abrasions, tears, and punctures, making it ideal for industries handling blades, metal, and glass. Despite its high-performance durability, it remains lightweight and flexible, ensuring ease of movement throughout demanding tasks.

Built for all-day wear, the BLADE Cut C Apron features adjustable nylon snap-lock closure straps, allowing a secure and comfortable fit. The one-size design (60cm wide x 90cm long) ensures broad coverage and reliable protection. Its premium blend of PE, glass, and polyester enhances both strength and durability, meeting the needs of professionals who require robust safety solutions.

Certified to EN ISO 13997:1999 and EN 388: 354XC, this apron delivers 15N of cutting force resistance, ensuring compliance with stringent safety standards. Whether in glass handling, metal fabrication, or industrial kitchens, the BLADE Cut C Apron is the trusted choice for reliable cut protection.

Features and Benefits

- Cut C 280gsm material – Superior cut resistance
- Adjustable snap-lock straps – Secure and comfortable fit
- One size (60cm x 90cm) – Full-coverage protection
- Durable PE, glass, and polyester blend – Long-lasting performance
