Armour PVC Apron 90 x 135 with Hooks

Code: CLAPRONPVCHD

Features

- Unit: Each
- Colours: Blue, Green, White, Yellow

Product Details

Experience unparalleled protection with the Armour® PVC Heavy Duty Apron. Crafted from robust PVC, this apron offers exceptional durability and maximum safety for demanding environments. Its flexible material is resistant to blood and fat, promoting better hygiene and effortless cleaning. Designed specifically for the food processing industry, this apron ensures you maintain the highest standards of safety and cleanliness.

Measuring 90cm x 135cm, the apron is equipped with convenient hooks for the neck and ties for the waist, ensuring a secure and comfortable fit. Available in four colours – White, Blue, Yellow, and Green – it meets various industry needs and preferences. Proudly made in New Zealand, it is the only PVC apron produced in a full HACCP environment.

Our PVC is sourced from one of the world's largest and most reputable producers, guaranteeing top-notch quality. Manufactured in a positive pressure room, these aprons offer unmatched reliability and safety, making them a top choice for professionals.

Features and Benefits
