- Colour: Blue
- FDA Approved

Product Details

Polyethylene Sleeve Protectors offer excellent arm coverage with their elasticated design, ensuring a secure fit while working. These protectors are ideal for various applications, especially in food preparation and processing industries. Made from low-density polyethylene, they provide reliable protection. The sleeves measure 20 x 40 cm, making them a practical choice for maintaining hygiene and safety in the workplace.

Features and Benefits

- Made from Low-Density Polyethylene.
- Elasticated for a firm fit
- 20 x 40cm
