Bata Handyman II Safety Steel Toe Gumboot - Black/Blue

Code: 892-69013

Features

- Unit: Pair
- AS 2210.3:2019 SRA
- ASTM F2413-18 EH Resistant

Product Details

Whether you are working in the garden, camping, going on an outdoor adventure or even watching the kids from the sideline on Saturday morning, the Handyman gumboot is well suited to keep your feet dry and cosy in every day environments. Handyman is proudly made in New Zealand from 50% recycled pvc and offers resistance to oil, acid, water and slippery surfaces.

Features and Benefits

- Steel Toe Cap Capable of resisting a drop force of 200 joules to offer premium protection for your toes.
- Slip Resistant Designed & tested to meet the highest standard for slip resistance.
- Electric Hazard Protection Designed to significantly minimise the flow electricity to the ground, reducing the possibility of electrocution.
- Water Proof 100% resistant to water penetrating the inside of the boot.
- Fuel & Oil Resistant Outsoles Designed & tested to perform and handle contact with petroleum-based liquids like oil and gasoline
