MaxiChem Gauntlet 35cm

Code: 56635

Features

- Unit: Pair
- Coating: Nitrile Butadiene Rubber (NBR)
- Colour: Green/Black
- Length: 35cm
- EN 374-1:2016 Type B
- EN 388:2016: 4121A

Product Details

MaxiChem® is designed and developed for those working with chemicals requiring longer and higher levels of protection. MaxiChem® is tested and certified according to EN 374-3.

Features and Benefits

- Chemical resistance– is delivered through our LiquiTech technology platform.
- Ultra lightweight - synthetic coating combined with an industry leading super light seamless knit liner provides excellent comfort, sensitivity, fit and dexterity.
- Tailored cuff - keeping the cuff close to your hand so maintaining your fingers at the tip of the glove to maximise dexterity.
- Our micro-cup non-slip grip finish allows for a controlled and superior grip in oily and wet applications. The non-slip grip is only applied where it is actually needed-in the palm area-to ensure flexibility isn't compromised.
- Applications:
- Gear box assembly, General handling, Handling small castings, Handling of small components, Light metal fabrication & parts handling, Primary, secondary and final assembly, Shock absorber assembly, Maintenance
