### Product Details

Introducing the Duty Utility Worker Glove – crafted for the superior performance, comfort and durability in daily general work. Engineered to tackle complex handling tasks, the liner design minimizes hand fatigue while providing full hand security with a reinforced palm and fingers. Designed to excel in performance, this glove is seamlessly adaptable, establishing it as a workplace essential.

The DUTY® Utility glove range brings the latest mechanical glove technologies together to ensure optimal performance, protection, and comfort in heavy handling and trade environments. We call this D-TEC. The D-TEC system harnesses advancements in high-performance glove materials and manufacturing techniques to offer a feature-rich hand protection solution tailored specifically for heavy, general, and trade working environments.
