MaxiDry Zero Thermal

Code: 56451

Features

- Unit: Pair
- Coating Layers: 3
- Colour: Purple / Black
- Length: 27cm
- EN 388:2016: 4232B
- EN 407: X1XXXX
- EN 511: X21

Product Details

The MaxiDry® Zero™ integrates the core values of the MaxiDry® brand to bring comfort and liquid repellence together and combine them with our THERMtech® technology platform. This technology offers thermal resistance up to -10°C/14°F inside the glove under high activity with a coating designed to remain flexible for temperature up to -30°C / -22°F.
