# MaxiCut 5 Ultra Open Back - 30cm

## Code: 44374530

## Features

- Unit: Pair
- Coating: Foam Nitrile
- Colour: Indigo/ Black
- Fabric: Nylon/ Lycra
- Length: 30CM
- EN 388:2016: 4542C

## Product Details

Known and loved across the globe MaxiFlex® has become the world standard for precision handling gloves in dry environments. People have been asking us to make a cut resistant MaxiFlex® that's still super thin, flexible, dexterous and comfortable. So we did. Here it is. We call it MaxiFlex® Cut<sup>™</sup>.

## **Features and Benefits**

- Innovative fibres we source our base ingredients to develop our own unique high performance yarns and fibres that offer cut protection whilst maintaining high levels of comfort.
- Reinforcement between the thumb and forefinger, improves cut resistance and extends glove life in an inherently weak area.
- 360° breathability patented micro-foam nitrile coating offers 360° breathability, making it the most breathable glove on the market today.
- Form, fit and feel mimics the "hand at rest", reducing hand fatigue and increasing comfort.
- Latest knitting technology utilised to produce smooth and rounded fingertips, improving fingertip sensitivity.
- Consistent liner penetration- from the nitrile, leaving only the soft liner resting against the skin.
- Optimised grip delivered through our micro-cup finish, allows for a controlled grip.

## **Applications:**

- Handling ceramics, corrugated sheets, non-deburred parts, glass panels, plastics injection moulds, sharp edged metal sheets, small sharp components
- Logistics and warehousing
- Maintenance
- Primary, secondary and final assembly
