Armour Helmet Earmuff - Class 5

Code: EPEMC

Features

- Unit: Pair
- Pack Qty: 1
- Carton Qty: 20
- Colour: Fluro Green
- AS/NZS 1270:2002

Product Details

Armour's new helmet earmuff conforms to the highest level of comfort and protection. The new design is extremely durable due to its ABS plastic frame so it can take the knocks and lasts longer than cheaper alternatives. The blade helmet attach system connects with multiple leading brand industrial and climbing helmets in the industry. As a cost effective earmuff, the EPEMC offers excellent value for money and the performance of market leading hearing brands.
