Armour Hard Hat Neck Nape

Code: HPNF

Features

- Unit: Each
- Pack Qty: 1
- Carton Qty: 20
- Colour: Hi Vis Orange

Product Details

The Hard Hat Neck Nape is a protective accessory designed to enhance the safety and comfort of workers in high-risk environments. It provides additional coverage to the back of the neck, shielding it from harmful UV rays, debris, and other workplace hazards. Made from durable, flame-resistant materials, it easily attaches to most hard hats and helmets, ensuring a secure fit. This accessory is particularly beneficial for outdoor workers, offering both sun protection and cooling relief, making it an essential addition to any safety gear.

Features and Benefits

- Made from 100% Polyester.
- Size: 45.5x31.5cm
- Hi Vis Orange
- Breathable
