- AS/NZS 1337.1:2010

Product Details

The Armour Clear Face Shield & Browguard Kit is a compact and lightweight solution designed for optimal protection and comfort. This economical set includes an anti-fog visor and adjustable headgear, ensuring clear vision and a secure fit during use. Made from impact-resistant ABS plastic, the kit offers robust durability and is certified to AS/NZS 1337.1 for high impact protection. Sold as a complete kit, it also features a replacement shield option (product code HPFSHIC), making it a versatile and reliable choice for various safety applications.
