Armour Industrial Helmet Visor - Tint

Code: HPCHSV

Features

- Unit: Each
- Pack Qty: 1
- Carton Qty: 12
- Colour: Tint

Product Details

This impact resistant safety visor has been designed to attach directly to the Armour Industrial Safety Helmet sold separately.

Stay safe with two styles: the Transparent PC Visor and the Mirror PC Visor. Both are constructed of lightweight, scratch-resistant polycarbonate, while anti-fog and anti-UV features offer maximum protection for working at heights and for general site safety.

Features and Benefits

- Low profile design when the visor is raised
- Includes visor mounting kit
- CE EN 166 safety rating
- 60g polycarbonate lens
- Scratch and fog resistant
- Comfort fit
