Product Details

The SAFE steel mesh visor is very robust and suitable for tough working conditions. The visor protects the wearer from large dust particles and gives a comfortable airflow, stays close to your face for superior coverage and ensures stability and balance. The visor is approved to low impact and is suitable for applications such as forestry work and grass/bush trimming. It is designed to be combined with all SAFE carriers, SECURE earmuffs and a variety of helmets for a full above the neck protection.
