Product Details

Combining safety and style, the Sentry Optics Guard Eyewear offers certified protection with a sleek, wrap-around design. Built for durability and comfort, these ultra-lightweight glasses provide clear vision in any work environment, including humid conditions and high-impact settings.

Key Features:

- AS/NZS 1337.1:2010 certified for medium-impact safety.
- Anti-scratch and anti-fog lenses for humid conditions and dust mask use.
- 100% UV protection for outdoor eye safety.
- Thin temples for a secure fit with earmuffs.
- Available in clear, smoke, and amber for various lighting.
- Box converts into a countertop display for retail use.
