Product Details

The SPEED PRO is a low profile, lightweight and high-performance product designed to protect your eyes from flying debris, dust and impact with its form fitting SBR rubber gasket. The co-moulded rubber temples combined with a soft nose piece make the SPEED PRO a comfortable pair of safety glasses to wear all day.

These glasses also feature an attachable elastic strap for additional comfort and stability included with every pair. For the ultimate in protection and performance, SPEED PRO is safety eyewear geared to work every time.
