Armour Browguard

Code: HPFSB

Features

- Unit: Each
- Pack Qty: 1
- Carton Qty: 20
- Colour: Yellow
- Impact: Medium
- AS/NZS 1337.1:2010

Product Details

The Armour Browguard is crafted from durable ABS plastic, ensuring robust protection and longevity. It is designed to be compatible with ARMOUR visors, making it a versatile choice for various safety needs. The browguard can accommodate Armour Medium Impact Visors, available in clear (HPFSMIC) and smoke (HPFSMIS) options, as well as the Armour High Impact Visor in clear (HPFSHIC). This adaptability makes the Armour Browguard an essential component for comprehensive head and face protection in demanding environments.

Browguard
