Hellberg Active C Cap Mount Earmuff - Class 5

Code: 47102-001

Features

- Unit: Pair
- Pack Qty: 1
- Carton Qty: 10
- Colour: Yellow/Black
- AS/NZS 1270:2002

Product Details

- Hearing protection with advanced Level Dependent system

ACTIVE allows you to communicate with your colleagues, hear warning signals and other important information while protected from hazardous noise. The Level Dependent microphones provides perfect directional hearing and the Electronic Protection System limits all sounds to a safe level. Ergonomic design, replaceable headband and ear cushions contribute to high comfort and increased wear time.

For optimal safety communication radios can be connected via the external audio input

Features

- Level Dependent microphones provides natural sound quality
- Soft cushions with Smart "Snap-In" System for easy replacement
- Smooth size adjustment for optimized comfort and seal
- Includes 2 x 1,5 V AA batteries for up to 1000 hours of use
- External 3.5 mm audio input
- Fully compatible with Hellberg's SAFE™ Visor System
