Product Details

Introducing the Junior Pink Headband E0100 by Hellberg Safety, a premium passive hearing protection solution specially designed for young users. This vibrant pink headband combines superior comfort and reliable noise reduction, making it the perfect choice for children in various noisy environments. Protect your child's hearing without compromising on style or functionality.

The Junior Pink Headband E0100 features a robust construction and utilizes high-quality materials to ensure durability and long-lasting performance. With a noise reduction rating (NRR) of XXdB, this headband effectively reduces harmful noise levels while allowing for essential ambient sounds. The adjustable headband ensures a secure and personalized fit, providing optimal comfort for prolonged use.

The Junior Pink Headband E0100 by Hellberg Safety offers excellent hearing protection in a stylish and comfortable design, perfect for young users in noisy environments.

Features and Benefits:

- Premium passive hearing protection for young users.
- Vibrant pink headband for style and visibility.
- Robust construction for durability and long-lasting performance.
- Adjustable headband for a secure and personalized fit.
