Hellberg Relax H AM/FM Radio Headband - Class 5

Code: 45002-001

Features

- Unit: Pair
- Pack Qty: 1
- Carton Qty: 10
- Colour: Yellow/Black

Product Details

- Hearing protection with AM/FM radio

RELAX protects your hearing while you enjoy listening to your favourite radio station or connect to a communication radio, mobile phones etc. Easy to reach controls let you manually tune the AM/FM radio accurately. Combined with the automatic frequency control you will lock onto your favourite station for the best reception available even in low signal areas.

Ergonomic design, replaceable headband and ear cushions contribute to high comfort and increased wear time.

Features

- Manual tuning and Automatic Frequency control makes it easy to tune accurately and locks onto desired station
- The sound from the radio is limited to a safe level
- Soft cushions with Smart "Snap-In" System for easy replacement
- Smooth size adjustment for optimized comfort and seal
- Includes 2 x 1,5 V AA batteries for up to 130 hours of use
- External 3.5 mm audio input
- Fully compatible with Hellberg's SAFE™ Visor System
