Code: 48101-001

Features

- Unit: Pair
- Pack Qty: 1
- Carton Qty: 10

Product Details

Hearing protection with Bluetooth for music streaming. Xstream LD connects via Bluetooth to your phone for wireless music streaming and phone calls. Your hearing is protected while you enjoy your favourite music with excellent sound quality, and the built-in speech microphone allows you to make phone calls. Active listening microphones in each earcup of the "LD" model, ensure excellent directional hearing, offer natural sounds and enables you to hear conversations, warning signals and other important information without compromising protection.
