

Stay Safe All-in-One Hand Held Fire Extinguisher

Code: SKFE200ML

Features

- Unit: Each
- Pack Qty: 6
- Carton Qty: 24
- Size: 200ml
- Class A
- Class B
- Class C
- Class D
- Class E
- Class F

Product Details

This versatile fire extinguisher is designed to tackle a wide range of fire classes, including Class A (Paper & Wood), Class B (Petrols, Paint), Class C (Butane, Methane), Class D (Lithium, Potassium), Class E (Electrical), and Class F (Cooking Fats & Oils). It is particularly effective on lithium-ion battery fires and is classified as a NON-Dangerous Good. Eco-friendly and NON-toxic, it features recyclable packaging and offers a 380 orbital use range with single-hand operation. Safe for water and plant life, it ensures a simple clean-up process and can be disposed of in a recycle bin.

HANDLING & USE:

Significant hazard is not expected under anticipated conditions of normal use.

PRECAUTIONS FOR SAFE HANDLING ARE RECOMMENDED:

- Ventilate the area of use.
- Avoid all personal contact, including inhalation.
