Sentry Optics Charger Smoked

Code: SOCHS

Features

- Unit: Pair
- Pack Qty: 12
- Carton Qty: 300

Product Details

Ideal for electrical work, Sentry Optics Charger Eyewear is built for professionals who need reliable protection, durability, and all-day comfort. The ultra-lightweight frame, pressure-free fit, and non-slip nose pad ensure wearability, while impact-resistant lenses provide clear vision in any condition. Its dielectric design, with no metal parts, makes it a great choice for electricians.

Key Features:

- AS/NZS 1337.1:2010 certified for medium impact protection.
- Dual-injected temples for a secure, pressure-free fit.
- Soft, non-slip nose pad for added comfort and stability.
- Ultra-lightweight design for all-day wear.
- 99.9% UV protection for outdoor use.
- Anti-fog and anti-scratch coated lenses for clear visibility.
- Dielectric design with no metal parts, ideal for electrical work.
- Optional foam gasket for added protection against dust and particles.
