Product Details

The Armour Black FR Jacket with Leather Sleeves is designed for those who demand the highest level of protection and durability. This 100% flame retardant garment ensures your safety in hazardous environments. It features a 280 GSM cotton drill preshrunk anti-static fabric, providing excellent durability and resistance to static electricity. The premium split leather sleeves offer additional protection and comfort, while the Kevlar stitching enhances the jacket's strength and resilience. Equipped with premium anti-rust metal stud buttons, this jacket is built to last. Available in one size, the Armour® Black FR Jacket with Leather Sleeves is the ideal choice for professionals who need reliable and high-quality protective gear.
